

To The Venice Golf and Country Club Foundation:

On behalf of the Women's Resource Center (WRC) , I would like to thank you for your generous donation for Virtual Counseling, Training and Career Development. We want you to know that you are an important part of the WRC community and our ability to serve our clients.

As we find new ways to support our clients, the funds received from your donation directly impact how we connect to the women and families locally. Programs such as Mental Health Counseling, Career Coaching and Resource Advising.

Your generous donation helps us continue to deliver services on our mission. Supporters like you help us remain a place of hope for women and families in our community.
