

We are deeply grateful for the Venice Golf and Country Club Foundation's continued support of Children First.

Your grant this year will help to provide Scholarships for the at-risk children and families we serve. This ensures the most vulnerable members of our community have access to the services they need to thrive and opportunities for success. These services include early childhood education, health screenings, emotional and behavioral support, nutrition, and family strengthening services for parents.

***Thank you for all that you do for children and families.***
