

## FAMILY PROMISE SSC

# THANK YOU VENICE GOLF & COUNTRY CLUB FOUNDATION

Your generous and continued support for Emergency Funds has helped us to provide shelter and housing support for families like those pictured here.

Without your support, FPSSC would not have been able to shelter the families or provide move-in costs and rent assistance to keep families stably housed.

Homelessness is something no family should have to face and with your support, we intend to make family homeless brief, rare and not recurring.
